WHY COLOR MATTERS IN EVERY CELEBRATION

Colors tell your event's story — they set the tone, create the mood, and leave a lasting impression. At Balloon Man, we select every shade with care to match your vision.

We proudly use Decomex balloons for their rich pigments, durability, and professional finish, ensuring that your décor looks as perfect in photos as it does in person.

HOW TO CHOOSE THE RIGHT COLOR

1. Match Your Theme

Start with your event's main color scheme

2. Set the Mood

- **Soft & Romantic:** Pastel pinks, creams, sage green.
- **Energetic & Fun:** Bright yellows, blues, and reds.
- **Elegant & Formal:** Navy, black, gold, or pearl white.

3. Think About the Venue

Outdoor spaces often work well with vibrant colors, while indoor settings shine with softer or metallic tones.

4. Mix & Match

Pair light and dark shades for contrast, or stick with one color family for a clean, modern look.

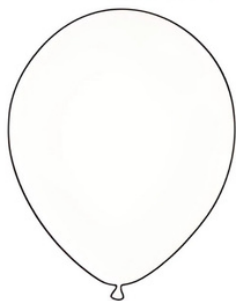

5. Seasonal Inspiration

Draw from the season — warm oranges in autumn, cool blues in winter, fresh greens in spring.
